CS550 Output Document (PA#4)

Cyril Trosset   A20316209   Section 1

CS 550

The following output corresponds to an execution with a simple word :

```
./grep 4.h hello

hello
Hi hello
```

The following output corresponds to an execution with a regex into a file :

```
./grep 4.h ^h.llo

hello
hallo
hillo
```
